Bachelor of Computer Animation, May 2028

Major: Computer Animation, GPA: 3.48/4.0

ANIMATION EXPERIENCE

3D Computer Animator, Ringling College of Art & Design, Sarasota, FL, Sep 2024 - May 2028

As part of an animation course, produced 15-second scenes to demonstrate weight, force, and character emotion:

- Demonstrated mastery of fundamental animation principles including squash and stretch, timing, and weight through walk cycles, ball bounces, and movement studies—building strong technical foundation in core mechanics of character animation
- Applied pose-to-pose animation techniques while managing full 3D production pipeline—asset modeling, texturing, lighting, and rendering

Story Artist, Ringling College of Art & Design, Sarasota, FL, Sep 2024 - May 2028

As part of a story-boarding course, worked under time-sensitive deadlines to develop one-minute stories for animation:

- Pitched ideas to class with supporting visuals; performed scenes with the assistance of professional thespians and filmed exercises as reference to enhance emotional moments in each story
- Developed storyboards based on video reference and class critique, edited boards into animatics with sound
